

# The Village People Social Club In Wyndham Grange

## The Lexus Melbourne Cup Tour – taking the People’s Cup to the people.

The seventeenth running of the Melbourne Cup Tour will see an exciting array of activities promoted across Australia, New Zealand and other parts of the globe.

The residents of Wyndham Grange Village would love to be part of the journey! Many of us enjoy following the races, and some attend Werribee Race Meetings.

We would be so excited to host members of the local community and the Melbourne Cup for a morning of fashion, food and fun.

We hope you consider our submission favourably!
