Melbourne Cup Day

The Clubhouse looked delightful for the Cup Day lunch. The tables were decorated with yellow serviettes on white cloths and in the centre of each was a beautiful bowl of fresh, yellow flowers created by Daisy Cummings.

As each guest arrived they were offered a free glass of champagne.

Two dollar, five dollar and ten dollar sweeps were run on the day by Jerry Worboys, Brian Turner and Fred Blaich.

A tasty cold lunch of chicken, ham, salads and sweets was organised and served by the competent catering committee. After lunch everyone settled in to watch the big race: the bar was open and the bar staff were kept busy.

“Fashions on the Carpet” was held after the Cup was run, with Ladies and a Gentleman’s sections. Residents certainly dressed for the occasion and looked great in their race day attire. Dawn Dart won the Ladies Prize and Norm Lloyd was the Gentleman Winner.

A big thank you goes to the Social Committee and the Catering group for their tireless work, as well as to the many volunteers in the bar and kitchen. Ian Holland did an excellent job of MC for the day.
