Melbourne Cup Day at Beleura Village

The Clubhouse Lounge was a picture on Cup Day, with floral arrangements and beautifully dressed residents. The lunch, by our favourite Bruce Trappett, was perfect for the day, with a wonderful array of salads and meats for the main course, followed by some decadently delicious desserts.

After lunch, residents other than the lunch goers joined the crowds to enjoy the afternoon. The "Sweep Team", David Pink, Fred Blaich and Jerry Worboys were kept busy, and sold out early. There was quite some excitement when the Cup was run...there must have been sheep stations at risk!

The lady's fashions were on display shortly after the race. Our residents looked elegant in the outfits that they had chosen for the day. It must have been a hard choice for judges, Glenda Crocker, Lois Doyle and Marie Pink, but they finally decided that Janet Hymas was able to outclass the field.

Congratulations to Janet, and also to Brian Pugsley, who won the male equivalent with a smart outfit.

With smiles on their faces, a number of people claimed their prizes in the sweeps. Pauline Scott and John Smith were number one winners, with others enjoying prizes for places. Ian Holland, President of the Social Committee, once again organized a very enjoyable event assisted by a number of volunteers.

Thank you to all.
